

Dear ladies and gentlemen!

Thank you for the interest sponsoring and supporting one of the oldest Ukrainian cybersecurity conferences UISGCON. This year we run 14th event which has got its form and shape since 2011. As a number of participants increases from year to year and our desire to make best event ever made and provide new activities more space is needed so we decided to use new location: Ukrayins'kiy Dim.

Why UISGCON?

If you or your friends and colleagues attended UISGCON once you could testify overall quality and value, you can get. Due to that fact that there is no other event delivers at such responsible manner as we do, it became flagship event for the Ukrainian cybersecurity community.

UISGCON combines security expertise in different areas with real practical and business cases which creates open platform for security professionals, industry experts, middle to top management, governments to share ideas, communicate on different level, build chain of trust among community members.

We are concentrating on subjects which are interested in local community not to what it trends on market.

Each USGCON distinct from other UISGCON events so you can find something new each year.

UISGCON audience

We are lucky to have high levels of luminosity to a wide range of public. UISGCON audience ranges from CISO/CEO's, governments, professors, students as well as businessmen who sell or buy cybersecurity products or services.

We welcome around 450-600 attendees from year to year who wish to communicate and extend their knowledge skills. Our participants are mostly Ukrainian community, but we see that international community increases interests on Ukrainian cybersecurity area and we have got attendees from Turkey, Poland, Taiwan, USA, Netherlands. We expect that this year

trend will be stable, and we could invite more attendees from neighbor countries.

Rules and Conditions

Apart of that UISGCON is an open conference with strict rules and code of conduct for all participants and organizers. All commercial presentations are banned, we use program committee for open voting process for speaker presentations and workshops, so we deliver best content we can get for our attendees.

We strive to provide a constructive, inclusive and enjoyable atmosphere for all UISGCON conference participants, and our code of conduct can be found on our website 14.uisgcon.org.

Thank you and we will be glad to see on our event!
